

A wonder book for girls and boys

1852. Hawthorne, who, like Edgar Allan Poe, took a dark view of human nature, was a central figure in the American Renaissance. His best-known works include *The Scarlet Letter* and *The House of the Seven Gables*. Hawthorne adapted these fanciful tales for children from classical mythology. Contained within are such memorable stories as *The Gorgons Head*, *The Chimaera* and *The Golden Touch*, which proved to be quite popular. Due to the age and scarcity of the original we reproduced, some pages may be spotty or faded. --This text refers to the Paperback edition.
