

Death by Inferior Design (A Domestic Bliss Mystery)

Interior decorator, Erin Gilbert heads to picturesque Crestview, Colorado for a friendly (if sharks are friendly) competition: She'll design a room in one home; and the impossibly handsome Steve Sullivan her main rival will do a room in another. The prize? A big feature in Denver Magazine, showcasing their interior design business. Who could have dreamed the uproar to ensue in a neighborhood full of eccentric homeowners, jealously hidden secrets and a few marriages in need of total makeovers. Trapped together in the midst of chaos, could the charming Steve turn out to be a...friend? But between her custom, cushy pillows and dramatic drapery, Erin uncovers a very undecorative dead body, too many suspects, and a killer who seems to have designs...on her!
