

## Romans: The New Man, Chapter 6

In Romans chapter 6 the Apostle Paul takes up the issue of antinomianism - a dangerous perversion of the gospels teaching that has often troubled the church. The antinomian says, Ah, this gospel is a wonderful message of salvation by the free grace of God. Therefore, it doesn't matter at all how you live as a believer; you are saved once and forever. The Apostle shows us why some people have misused the doctrine of the grace of God in that way, and explains why Christians - the servants of righteousness - must not live in sin or let sin reign within.
