

## The Defenseless (Brandon Fisher FBI Series Book 3)

The job dictates finding justice. When a killer targets those who have abused animals, the FBI team is questioning, What is justice? The first victim was poisoned. Three others are still missing. One more turns up dead. But there is one connection that ties them all together. This case has FBI Agent Brandon Fisher and the team in Colorado to stop a serial killer targeting men who beat charges of animal abuse over twenty years ago. With the method of murder changing to match what his victims had allegedly inflicted on the defenseless, the team questions who is on the side of justice--them or the murderer. After all, their unsub is seeking retribution on behalf of the victims who have no voice. While facing this moral dilemma, Brandon's integrity to the Bureau is also tested. But Brandon is up for the challenge--anything to get his mind off his pending divorce and the upcoming holiday. Being thousands of miles from home, the forbidden relationship between him and Paige becomes more tempting but is he willing to risk all that he's worked for???? Carolyn Arnold provides entertainment and accuracy. Michael D. Scott, Patrolman (Ret.), Castroville, Texas??? For Police procedurals that are painstakingly researched and accurately portrayed look no further than Carolyn Arnold's works. The only way it gets more real than this is to leave the genre completely. Zach Fortier, Police Officer (Ret.), Colorado, United States??? Carolyn Arnold writes realistic and entertaining police procedurals with characters so real, I lose myself in her books. Deputy Rebecca Hendrix, LeFlore County Sheriffs Department, Poteau, Oklahoma.
