

## Enfrente a sus gigantes (Facing Your Giants) (Spanish Edition)

Your Goliath taunts you with bills you cant pay, people you cant please, habits you cant break, failures you cant forget, and a future you cant face. But just like David, you can face your giant, even if you arent the strongest, the smartest, the best equipped, of the holiest. David. You could read his story and wonder what God saw in him. He fell as often as he stood, stumbled as often as he conquered. But for those who know the sound of Goliath, David gives this reminder: Focus on giants -- you stumble; focus on God -- your giants tumble. If youre ready to face your giants, let his story inspire you. The same God who helped him will help you.
