

## Zaras Hats

A plucky heroine saves the day! Selig, the hatmaker, loves to make hats. Zara, his daughter, loves to help him. When Selig runs out of his famous feathers and must travel to find more, Zara misses Selig terribly. One day she gets a brilliant idea, and soon a prospering hat shop welcomes Selig home. This amusing tale of an imaginative heroine, based on the authors grandmother, will inspire readers with its upbeat spirit and the close, loving relationship between daughter and father.
