

Diary of an Angry White Man: Letters to America

This is a book about the American Dream. We have, in this country, millions of Americans that are living the American Dream without investing one red cent! They are the LAZY welfare people of this country. The American Taxpayer is flipping the bill for these LAZY welfare people by paying their rent, utilities, food, and insurance. These LAZY people are living the good life. These LAZY people are lounging around all day watching TV and playing video games, while the hardworking American Taxpayer struggles to make ends meet. Millions of American Taxpayers are living from paycheck to paycheck, trying to fulfill their American Dream, while these LAZY welfare people are already enjoying retirement at the expense of the American Taxpayer. This book also explains how the government got us into this position and how We the People can change things by voting out all career politicians. Read this book and find out how the government sold out the hardworking American Taxpayer!
