

Angel Esquire (French Edition)

Le vieux Reale, patron de plusieurs casinos égyptiens, s'est retiré à Londres, sa fortune faite. Il a fait construire dans sa maison un gigantesque coffre-fort. William Spedding, son avoué, a recueilli son testament sur lequel figurent ses anciens complices, Jimmy, Connor et Massey ainsi que Kathleen Kent la fille d'une de ses victimes. Sa fortune appartiendra à celui ou celle qui résoudra le rebus qu'il y a laissé et trouvera le mot qui peut ouvrir la coffre. Christopher Angel de Scotland Yard aura besoin de toute sa perspicacité pour résoudre les meurtres qui en découleront et trouver le sésame de l'affaire. Un Edgar Wallace de bonne facture, une énigme dans laquelle se trome la frontière entre bons représentants de la loi et méchants cambrioleurs.
