

The Irish Guards in the Great War: The First Battalion : Edited and Compiled from Their Diaries and Papers [Illustrated Edition]

A Fantastic Regimental History of an Illustrious regiment, awarded two coveted stars by the renowned military historian and Times War Correspondent Cyril Falls: One could be assured that when Mr Kipling turned his hand to a regimental history the result would be very different to the ordinary. The particular invention wherewith he has enriched this book is a sort of chorus the comment of the private soldier upon the events narrated, which is witty and effective. Mr Kipling has also brought to bear his magic upon that most matter-of-fact of records, the battalion war diary, and has made it live. *** he has composed a noble tribute to the great regiment in the ranks of which he lost his son. Cyril Falls, War Books, London 1930.

Illustrated with sumptuously detailed maps.
