

Illinois timeline: A chronology of Illinois history, mystery, trivia, legend, lore & more

Reproducible timelines include: Illinois Indians, Biographies, History, Legend & Lore, Art, Science, Inventions, Business, Women, Civil Rights, Current & Future Events and more. Also includes Your Personal Timeline Activity, Time Capsule Activity, Timeline Glossary and Authors Timeline. Great for highlighting those must-know important events in Illinois and a super reference for kids. Students can match events with dates, make flashcards, pick their favorite time period to study, research for more information about timeline events of interest, or read the newspaper and search for current events to put into the context of the timeline. Over 300 entries range from prehistoric times through now. Free teachers guide gives specific suggestions and instructions on how to get max educational value from this book. Great for library research and you can make copies and laminate timeline pages to create posters for classroom walls. Its time to add this book to your library!
