

The Story of Mormonism, and the Philosophy of Mormonism (Dodo Press)

James Edward Talmage (1862-1933) was born in Hungerford, England. He was a member of the Quorum of the Twelve Apostles of The Church of Jesus Christ of Latterday Saints. He studied chemistry and geology at Lehigh University, Johns Hopkins University, and Illinois Wesleyan University for nonresident work. Dr. Talmage was elected to life membership in several learned societies, and for many years was a Fellow of the Royal Microscopical Society (London), Fellow of the Royal Scottish Geographical Society (Edinburgh), Fellow of the Geological Society (London), Fellow of the Geological Society of America, Fellow of the Royal Society of Edinburgh, Associate of the Philosophical Society of Great Britain, or Victoria Institute, and Fellow of the American Association for the Advancement of Science. He taught science at Brigham Young Academy and served as president of the University of Utah. He was the author of several religious books such as Jesus the Christ, The House of the Lord, The Great Apostasy and The Articles of Faith. These books clarify LDS doctrine and are still widely read by Latter-day Saints.
