

The Portrait of a Lady - volume 3

THE PORTRAIT OF A LADY is a novel by Henry James, first published as a serial in The Atlantic Monthly and Macmillans Magazine in 1880-1881 and then as a book in 1881. It is the story of a spirited young American woman, Isabel Archer, who affronts her destiny and finds it overwhelming. She inherits a large amount of money and subsequently becomes the victim of Machiavellian scheming by two American expatriates. Like many of James novels, it is set mostly in Europe, notably England and Italy. This book contains a dynamic table to access the different parts.
