

# The Hooligans Table: The Rugby Players Cookbook: How to Eat, Drink, Think and Entertain like a Rugby Player

After playing rugby, one of the most physically challenging games you can play, both sides shake hands and walk off the field together-and then sit down to a pint and a meal. The Hooligans Table showcases the spirit of camaraderie for which rugby is known around the world and across the table. Author David Martin brings over thirty years of playing rugby and going to the pub after rugby games to the writing of this book. He has included recipes such as cheddar and stout soup, beer can chicken, the hangover cure sandwich, and cowboy cookies-all of which come from players, coaches, friends, and pubs where rugby is on the menu as well. In addition to providing the recipes for the definitive rugby meal, this collection also offers energetic stories of games and meals; it invites you to sit down with other rugby players at The Hooligans Table. In the spirit of rugby, everyone's invited; discover some great ways to create your own hooligans table.
